When does \$1=\$14.00

A dollar spent at a locally owned store is usually spent 6 to 15 times before it leaves the community. *

You may be asking yourself why this is important to you and your business.

When you buy from a locally owned business like **Graham Office Supply Inc.** you are reinvesting in your community.

You are going to get better service, since we hire people who understand your needs and take the time to get to know you.
